

OSCRAT
Open-Source Cyber Resilience Act Tools

Newsletter from OSCRAT!

OSCRAT Project (Open-Source Project Cyber Resilience Act Tools), an innovative initiative funded by the Digital Europe Programme (DIGITAL) aimed at strengthening cyber resilience for European businesses (SMEs)

Project Objectives

- Checklist Automation
- SBOM Solutions
- Vulnerability Management Automation
- Incident Management
- Documentation Centralization

The workflow

1° phase: address Stakeholders needs

2° phase: deliver a functional tool aligned with SMEs scope & requirements

3° phase: promote the CRA among European SMEs through OSCRAT software

Stay tuned for digital security
